OTHER IMPORTANT INFORMATION

THE following pages contain street address listings of The Pacific Telephone and Telegraph Company telephone customers in Oakland, Alameda, Berkeley and San Leandro (includes also Albany, Emeryville, Piedmont and San Lorenzo) and such customers in El Cerrito as are served from the East Bay Zone.

The listings are arranged by street address number under the name of the street. The named avenues and streets appear first, followed by the numbered avenues, numbered streets and "E" numbered streets. Customers located in buildings or apartment houses are listed alphabetically according to street number of the building.

Streets having the same name, located in two or more cities, are listed alphabetically by cities. Example: A Street (Alameda) would be listed before A Street (Berkeley).

In the listings only the first two letters of the central office name are shown.
